

# APPOINTMENTS NEW

## CIB INSURANCE

Conrad Baasden has been appointed portfolio manager (Pretoria) for CIB Insurance. Conrad has over 20 years' experience in the local insurance industry, overseeing positions in insurance administration as well as short-term insurance.

## EMERALD UNDERWRITING MANAGERS

Emerald Underwriting Managers has recently appointed Bernard Ray as managing director. Bemie has served as an executive director of the company since May 2009, and been involved in Emerald, as well as one of its subsidiaries, Business Law and Insurance Solutions, since June 2006. Bemie is an admitted attorney, and practiced in Johannesburg for a number of years. His previous roles include managing director of Maven Technologies and positions as senior legal adviser at both Santam and Guardian National.

## fspOFFICE

Ben Rossouw, former CEO of the FIA, has embarked on a new venture. He has come on board in a marketing capacity to assist with fspOFFICE, a software product aimed at helping brokers operate more efficient businesses.

## INVESTEC ASSET MANAGEMENT

Adrian de Fay, founder and CEO of De Fay Asset Management, will join Investec Asset Management as part of a take-over of his business. De Fay, who has 26 years of industry experience, will take on the management of the Investec Equity and Investec Equity Hedge Fund from Gail Daniel. De Fay held various positions in the asset management industry in London. He has worked as an analyst and portfolio manager at Standard Merchant Bank and Smith New Court Plc/Merrill Lynch.

## PROLOSS LOSS ADJUSTERS

James Samupindi recently joined Proloss Loss Adjusters, Cape Town, as a general claims loss adjuster. James began his insurance career in 1992 with RM Insurance Company in Zimbabwe before engaging as an insurance broker on corporate portfolios with Marsh & Aon, Harare. He moved to loss adjusting in 1999 and served the Harare and Bulawayo insurance markets as an independent adjuster until a year ago when he relocated to the Cape.

Justice Mazula joined Proloss Loss Adjusters Cape Town after having been employed as a claims technician by Zurich Insurance Company Ltd for a year. Prior to this he had been with Mutual & Federal Insurance Company Ltd for two and a half years. Justice is completing a law degree through Unisa and also has a paralegal diploma, and an IT qualification.
