

Emerald collaborates to care for children

Flying Children

In May, the Emerald Team, in conjunction with Flying Children, visited three crèches in Slovoville to donate some “kitchen equipment” for the children to role-play with. The excitement was overwhelming as you can see! Flying Children is dedicated to improving the quality of care available to pre-school children in South Africa’s disadvantaged areas.

Food for Thought

This year the Emerald Team visited Isu’lihle Primary School to hand out Easter Eggs to the children in collaboration with Africa Food for Thought. 1441 children each received two marshmallow eggs as an Easter treat. AFFT supports 76 Orphaned and vulnerable children households, 12 schools and nine crèches, primarily through feeding schemes.
