

EVENTS & HAPPENINGS

PPS has announced a number of new appointments to the PPS Holdings Trust Board. **Dr Prieur du Plessis** and **David Smollan** have both been appointed as Trustees. **Dylan Garnett** has been appointed Deputy CEO of Metropolitan Health and will continue as Managing Director of Metropolitan Health Risk Management. PSG Asset Management has secured the services of **Ian Scott** as Head of its Fixed Interest team.

Above: Zurich maintains its commitment to giving back Global Community Week, a Zurich Insurance Group initiative, provides employees around the world with the opportunity to provide hands-on support to the communities in which they operate and make a sustainable difference to those less fortunate. This year, Zurich South Africa focused on bridging the gap between private and township day care centres. A total of 18 centres around the country were identified, and employees assisted by raising funds, providing in kind donations and investing time to benefit the children.

Left: HCV joins RMBSI's UMA Stable RMB Structured Insurance (RMBSI) announced that Heavy Commercial Vehicle Underwriting Managers (HCV) will be joining RMBSI's underwriting management agency (UMA) portfolio.

New leadership team announced for Satrix
Thomas van Heerden has been appointed CEO of the new combined SATRIX business. Van Heerden is a stalwart of Sanlam's investments businesses, while its Chief Investment Officer, **Helena Conradie**, is a pioneer in South Africa's passive investments space and long-standing Sanlam investment team member. SATRIX Managers CEO, **Brett Landman**, remains the Executive Head of the CIS management company and takes on the new designation as Managing Director.

The Minister of Finance has approved the following appointments, as recommended by the Financial Services Board: **Rosemary Hunter** as Deputy Executive Officer for Pensions; **Caroline da Silva** as Deputy Executive Officer for Financial Advisory and Intermediaries Services and **Muvhango Lukhaimane** as Pension Funds Adjudicator.

Above: Mandela Day Initiative 2013 from Emerald Insurance This year for International Mandela Day Emerald teamed up with Africa Food for Thought to pack and hand out 1 000 food parcels to the children of Lesego Primary School in Muldersdrift. Emerald secured a donation of R5 000 via the Santam CSI funding initiative to contribute towards the cost of the food parcels. With a 30-strong Emerald team, along with other volunteers, the food parcels were packed and ready to hand out in a short space of time, and then one parcel handed to each child to take home to their families.

Zurich Insurance Company South Africa has announced the following senior appointments: **Collin Molepe** joins Zurich as the new Chief Operations Officer (COO); **Nicholas Francis** fills the position of Chief Marketing Officer (CMO); **Tammy Heydenrych** assumes the role of Group Company Secretary; and **Seef Botha** has been appointed to the position of General Counsel. Two internal appointments have been made to strengthen the company's Global Corporate team: **Carryn Ford** joins Global Corporate as Property Manager and **James Ison** as Energy Leader for Global Corporate.
